Rob Schwimmer writes and plays music with a sensual core: sometimes quiet and intimate, sometimes wild and thrilling. Beautiful. Personal. Magical. Memorable.

Rob performs expertly on the piano, theremin, Haken Continuum fingerboard, clavioline, organ, claviola and on other less definable instruments and sound machines. He has performed throughout the world, including Carnegie Hall, Lincoln Center, the Concertgebouw (Amsterdam), Tokyo Dome, Madison Square Garden, and the Colosseum (Rome). Rob is a founding member of the Polygraph Lounge music and comedy duo with multi-instrumentalist Mark Stewart and The NY Theremin Society.
